

## Natural filters

### PureFlow filters for ponds, fountains, plant baskets, landing nets and much more

Who hasn't experienced this: cloudy pond, dirty aquarium glass, soggy rain barrel, PureFlow offers the ingenious, innovative and flexible filter solution for guaranteed biological filtration. Remove pollen, algae, food residues, excrements and finest suspended matter quickly and effortlessly or simply filter your rainwater before the cistern inlet. With our PureFlow NATURE filter panels and a pair of scissors, you can solve many problems in your home and garden quickly, cheaply and efficiently and ensure a clean flow and clear, uncontaminated water.

### PureFlow. Intelligent solutions from **A**quarium to **Z**oo
