

## Skimmer filter (Skimmer)

### PureFlow Skimmer Filter for perfect pre-filtration.

The PureFlow skimmer filter keeps up to 99% of insects, leaves, flowers, pine needles and many other contaminants out of your filter tank. It thus extends its service life and reduces biofouling and germs in the filter tank.

### Advantages that convince

- ✔ Filters insects such as ants, spiders, flies by 99%
- ✔ Reduces fouling of the main filter
- ✔ Reduces biofouling and cleaning effort
- ✔ Can be washed out several times and is long-lasting
- ✔ Quick to clean under running water
- ✔ Additional, efficient pre-filtration

### Perfectly suitable for

- ✔ Pool skimmer, whirlpool skimmer
- ✔ Skimmer baskets, hook-in skimmers
